ISSUER: Office of Environmental Health and Safety

DATE: December 3, 2004

ROUTING

Local District Superintendents
Local District Operations
Coordinators
Local District Facilities
Directors
Maintenance and Operations
Site Administrators
Garages

PURPOSE: As of August 3, 2001, California State Law prohibits disposal of computer monitors, televisions, and other electronic devices containing cathode ray tubes (CRTs) in regular trash (California Code of Regulations Title 22, Section 66273.6).

The purpose of this Reference Guide is to provide guidance on the procedure for discarding electronic devices containing cathode ray tubes (CRTs), such as computer monitors and televisions.

- INSTRUCTIONS:**
1. Site Administrators should ensure electronic devices with CRTs are properly disposed of. To request disposal of such devices, Site Administrators should follow *Reference Guide No. REF.-1293, Business Services, Pick-Up and Transfer of Materials for Salvage* and complete the *Transportation Order* form.
 2. Truck Operations will make arrangements for pick-up and disposition of these items.

RELATED RESOURCES: California Code of Regulations, Title 22, Section 66273.6

ASSISTANCE: For assistance in disposing electronic devices with CRTs, please contact the Office of Environmental Health and Safety at (213) 241-3199 or Truck Operations at (562) 654-9000.
