	Wednesday	24	ADV	Advisory Schedule

Important Dates

5/18-5/21 CST Testing

Semester 1 begins on September 2, 2008

Semester 2 begins on February 3, 2009

Under the column marked schedule you will see open which means open days of each semester.

SAMPLE

On 5/26 we begin the week with periods one and three to maintain the balance of instructional hours among periods 1/3 & 2/4 (which would have been thrown off by the holiday and has been fixed by the "Balance Day".

*Please see the Daily Schedules sheet to view regular classtimes and dismissal times. Because we are a Pilot School, we have several unique programs such as internships and workshops that will cause students to have irregular dismissal times. Check with each student's advisory teacher to confirm her/his schedule. Any student enrolled in an optional period 7 will have a later dismissal time. Check with the period 7 teacher for these times.
