**PURPOSE:** The purpose of this Reference Guide is to provide schools with a calendar that defines the school months for each school calendar/track for the 2006-07 school year. These calendars are based on the School Instructional Calendars approved by the Board of Education. These school month calendars reflect norm dates and due dates for the Classification and Statistical reports used for reporting enrollment and attendance.

**MAJOR CHANGES:** Information has been updated to reflect the school months for each calendar/track and the due dates of Classification and Statistical reports for 2006-07. Norm and monthly Classification reports will continue to be captured electronically. Reference Guide REF-1819.1 will address information specific to the electronic capture of enrollment data.

**INSTRUCTIONS:** A. Calendars. The calendars are in Attachments A through C3. These calendars apply to all K-12 District schools except: Continuation High Schools, Community Day Schools, and Opportunity Schools. The calendars for these schools will be available in reference guide, REF-1818.1.

For timely submission of the Statistical reports and for the scheduled electronic capture dates of Classification report data, refer to your school’s specific calendar and tracks.
