LAUSD Announces Free 2006 Spring Immunization Clinics for Children*Tuberculosis skin testing available for students to meet school entrance requirement*

Free immunizations are being provided this spring to children ranging in age from infancy to 18 years at selected sites and times throughout the city by the Los Angeles Unified School District's (LAUSD) Nursing Services Division.

In addition, tuberculosis (TB) skin testing and the Hepatitis B vaccine (for students entering 7th grade) is available for students to meet mandatory school entrance requirements.

All children are welcome. They must be accompanied by a parent or guardian who is asked to bring immunization records for each child.
