

Summarizer

Name_____Book_____

Assignment: Page_____to page_____Lit Circle Week #_____

Before your literature circle group meets

Your job is to prepare a summary of the week's reading. The other members of your group will be counting on you to give a summary that conveys the main highlights of the weekly reading assignment. Be sure to include all the story lines in the summary using a different paragraph. **Your summary should contain several paragraphs, not just one. One single paragraph = only a C grade on this assignment.**

It is a good idea to jot down the main events on scratch paper before you complete this form. Be sure to write your summary in complete sentences and your summary should change paragraphs each time you write of something different.

When you have finished your summary, give this section a short imaginative title--something that captures the main idea of the section you read for the week.

*******My Title for this Section*****:**_____

Summary:_____

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

On the day your literature circle group meets

The discussion director will call on you **first** to read your summary to the group.
