

Transportation Hardship - SCHOOL CONTRACT

Student: I, _____, agree to the following conditions, in order to use:
skates/skateboard/longboard/razor for transportation to and from Northridge Academy High School:

- Complete an application to use a skateboard/longboard as transportation permit. Clearly label both skates/skateboard/longboard/razor and helmet with my name and advisory. Use a helmet at all times as provided by California law, coming to school and going home. Drop off my skates/skateboard/longboard/razor and helmet in the main office immediately upon arrival at campus, and pick up both board and helmet at the end of the day to leave.
- Not use my skates/skateboard/longboard/razor for recreational skating on or about the campus of either Northridge Academy or Cal State University, Northridge (CSUN). This includes the access road between Northridge Academy and CSUN.
- Act respectfully towards all persons while using my board as transportation to and from school Will use respectful language with adults and peers
- Follow all District and school rules and guidelines, as outlined in the Northridge Academy High School "Standards for Student Behavior". Respond positively to instructions given by Northridge Academy High School and District-authorized staff
- Specifically: Will arrive to school on time on a daily basis. Five(5) unexcused tardies in a school semester will cause this permit to be revoked.

Parent/Guardian: I, _____, agree to support my child and the Northridge Academy High School staff, in order for my child to meet the above conditions.

Northridge Academy does not permit the possession of a skateboard/longboard on campus during school hours. Any student carrying a skateboard/longboard on campus during school hours will be asked to turn it in at the office, where it will be held until a conference with parent and student can be arranged.

We understand that by signing this contract, we agree to all conditions set forth by Northridge Academy High School to use a skates/skateboard/longboard/razor for transportation. We also understand the consequences of not following through on these conditions which may include but are not limited to . Immediate loss of privilege to use skates/skateboard/longboard/razor for transportation.
