Communications Division

Community Relations Unit

9-1-1 for Kids

Purpose: To educate children from the ages of 4-7 in the proper use of 9-1-1. Our goal is to teach children the who, what, where, when and how to dial 9-1-1 in an emergency.

Materials: 9-1-1 Video Tape, 9-1-1 Telephone Simulator, and Educational Handouts.

The Great 9-1-1 Adventure Video

An educational and entertaining way to instruct children in the proper use of 9-1-1.

Interactive 9-1-1 Simulator

This allows children the opportunity to experience questions that would be asked of them in an emergency. Questions include asking children to state their name, address and telephone number.

Educational Handouts

All children are provided with 9-1-1 literature and material.

All take home items reinforce the lesson plan.

Materials are available in English and Spanish.

All presentations are given by LAPD Dispatchers
