

Los Angeles Unified School District
DISTRICT K PROFESSIONAL DEVELOPMENT
Gifted and Talented Education Programs
Technology Institute

Optional: 1 Salary Point

Facilitators: Warren Dale, Jacquie Augustus, Ann Doornbos, and Lucy Hunt

Everybody's talking about integrating technology into a differentiated instructional program, but who's actually doing it? You will – with the help of our Technology Institute. This can happen much faster than you dreamed possible – guaranteed.

Participants in the workshop will be trained and empowered with the vision, knowledge, and skills needed to weave technology into a differentiated instructional program. The key to our success is modeling of research-based successful practices, one-to-one support, and small classes tailor-made for a school team ready to make a commitment to change.

Pre-registration is required. The two-session institute will fill to capacity quickly so register as soon as possible.
