MULTIPLE SUBJECT PREPARATION DISTRICT INTERNS

YEAR ONE 07-09 K-5 MIDDLE SCHOOL CORE WINTER 08

Orientation Make Up – Giancarlo Mercado will **not** be available for assistance with Orientation work next week.

If you are a **Multiple Subject Middle School Core DI**, and you have not finished Orientation work, please contact Dave Harris or Janet Peaks at william.d.harris@lausd.net or janet.peaks@lausd.net to set up an appointment. You can call Dave Harris at 323.932.2087 and Janet Peaks at 323.932.2245. It is urgent that those DIs who are one year or more behind on Orientation work finish up soon.

District Intern Program Advisement and Communication – Multiple Subjects DIs who are significantly behind with year one of their professional development coursework will be notified by e-mail, U.S.

mail, or telephone in the next two weeks. We want to thank all DIs who read and respond to their e-mails from the program in a timely manner for their diligence and sense of responsibility.

Some of the interns are not reading or responding to e-mails from the District Intern Program. These are official notices and reminders, and they need to be read and responded to in a timely manner. This is how we communicate with large numbers of DIs at one time, to pass on important program information.

Please make sure to check here every week before class, as there may be some important updates communicated to you here, on *Confetti!*...

First Portfolio Class – Your first Portfolio class will begin the transition from portfolio development to portfolio construction. To facilitate this process, you will need to start gathering all of the tasks you have completed over the past year and assemble them into binders so you can present them at your exit interviews. We will also begin working on the tasks required for your induction phase of the program.

Coming soon... ISCA! – Soon you will begin your Integrating Standards, Curricula, and Assessment (ISCA) class. This course requires that you have a full class set of assessments, preferably the set that you used in your *Plan and Deliver* unit. Be sure to have all materials together when you come to your first class.

Remember to make copies of all documents that you submit.
