JULY 2010

live from the
(((artists den))))
LIVE FROM THE ARTISTS DEN showcases stellar musical performances in extraordinary settings. Each episode in the 7-part series features an intimate, invitation-only concert by cutting-edge musicians. Season 2 kicks off with music legend Ringo Starr performing with modern folk-funk master Ben Harper and his band Relentless 7 in the Egyptian wing of The Metropolitan Museum of Art. Other featured artists include: double-digit Grammy nominee Tori Amos, multiplatinum singer-songwriter David Gray (“Babylon”), and neo-soul songstress Corinne Bailey Rae. New season begins airing Sunday, July 11 at 10 pm

MASTERPIECE MYSTERY: Acclaimed British actress Julia McKenzie stars as the beloved spinster sleuth Miss Marple in three new episodes of the popular Miss Marple series. In the first episode, people are found poisoned soon after a glamorous Hollywood couple settles in St. Mary Mead. Miss Marple must track down the killer and discover the cause of the murders. New episodes begin airing Friday, July 9 at 9 pm

BETWEEN THE LINES: Author Joyce Appleby of The Relentless Revolution discusses the history of capitalism, its culture and its values and ideas with host Barry Kibrick. Airs Saturday, July 10 at 8 pm & Thursday, July 22 at 6:30 pm
EYES ON THE PRIZE tells the definitive story of the civil rights era from the point of view of the ordinary men and women whose extraordinary actions launched a movement that changed the fabric of American life, and embodied a struggle whose reverberations continue to be felt today. Through contemporary interviews and historical footage, the program traces the civil rights movement from the Montgomery bus boycott in 1954 to the Voting Rights Act in 1965. A winner of numerous Emmy Awards, many critics call Eyes on the Prize the most critically acclaimed documentary on civil rights in America. The 3-part series begins airing Tuesday July 6 at 9pm

A TIME FOR CHAMPIONS charts the influence of St. Louis’ immigrant community, amateur leagues and college teams on the development and increased popularity of soccer in the United States. The story is told through archival footage, still photos and interviews with baseball legend Yogi Berra, NBC sportscaster Bob Costas, U.S. Soccer Federation president Dan Flynn, Michigan State coach Joe Baum, Indiana University coach Jerry Yeagley, former players of St. Louis University and members from the 1950 World Cup championship team. Airs Tuesday, July 13 at 8 pm & Sunday, July 18 at 3 pm

If poor families across America united as one voice, how loud would it be? Find out in RAISING HOPE: THE STORY OF THE EQUAL VOICE CAMPAIGN, an inspiring documentary that follows families through their daily struggles and watches as they march along the road toward policy reform. Filmmaker Maria Bures creates an intimate, compelling portrait of individuals who are living below the poverty level and their efforts to improve their lives by taking part in the Equal Voice for America’s Families Campaign. This year-long effort raises awareness of the issues facing working and poor families across the country. Airs Monday, July 19 at 8 pm
NO KIDDING, ME TOO! attempts to strip the stigma from brain disease as it follows famed actor Joey Pantoliano around the country to meet a compelling group of Americans telling their own moving stories on mental illness. Pantoliano talks to a heart surgeon struggling with drug-and-alcohol addiction; an 18-year old gifted student-athlete whose depression led to a suicide attempt; an Operation Iraqi Freedom veteran handling a traumatic brain injury and severe PTSD; and a man valiantly attempting to quiet the voices in his head. Pantoliano and his wife and daughters also speak with stark honesty and a major dose of good humor throughout the film about Joey’s own battle with mental illness.  

Airs Tuesday, July 6 at 8 pm

DESERT REEF reveals the narrative of a changing planet. The fossilized ocean reef in New Mexico’s Guadalupe Mountains tells a fascinating story of profound sea-level fluctuation and climate change more than 280 million years ago. Can research on Earth’s ancient past help scientists better understand the dire proclamations and controversies surrounding global climate change in the modern world?  

Airs Monday, July 12 at 8 pm

BEYOND BABYLAND explores the high rate of infant mortality in the U.S. by focusing on the young black mothers most at risk and the doctors and organizations striving to help them. Filmed in Memphis, Tennessee, a city with the country’s worst record of infant deaths, this program shows us that saving these babies is not as much a medical issue as it is a challenge to change the way we view our poorest citizens.

### Payment Adjustments
Your payment changes only when you take an advance — not when the Prime Rate changes. Depending on your new balance, your payment may actually decrease.

### Lowest Lifetime Cap
Our lifetime cap of 14% is the lowest. Banks and other lenders let your rate rise as high as 24%.

### No Time Limit On Advances
Take advances whenever you need. Other lenders restrict you to 5 or 10 years.

### No Negative Amortization
With some lenders, you end up owing more after each payment. That never happens with our HELOC.

---

**APR (Annual Percentage Rate) effective 3/20/06 for loans up to 80% loan-to-value, and is subject to change. Introductory rate for loans above 80% loan-to-value is 4.99%. After six months, introductory rate converts to then-current variable rate, subject to change as outlined in the loan agreement. Fully-indexed rate as of 3/14/06 is 7.4% for 80% LTV and 7.85% for 90% LTV. Maximum possible APR is 14% over the life of the loan. If the credit limit is canceled after 12 months of initial advance, $250 will be charged back to the loan. Offer subject to change without notice. ©Aubreyco.com SCH-394a.2**

**No Time Limit On Advances**
- Take advances whenever you need. Other lenders restrict you to 5 or 10 years.

**No Negative Amortization**
- With some lenders, you end up owing more after each payment. That never happens with our HELOC.
