

Los Angeles Unified School District and Pearson Education Present:

2011 SUMMER SB472 MATHEMATICS PROFESSIONAL DEVELOPMENT INSTITUTES FOR enVisionMATH CALIFORNIA, K-5

For current LAUSD K-5 teachers using Pearson Scott Foresman enVisionMATH.
Participating teachers need to bring their full Teachers Edition Topic Box to the sessions.

Institute participants have emphatically stated that the instructional strategies modeled and practiced during the multi-day institute are invaluable as a complement to the district-adopted mathematics instructional materials.

Opportunity to Learn and Earn!

- \$510 for full forty-hour attendance
- LAUSD Credit: 1 Salary Point
- University Credit Available
- Substitute and Independent Charter School teachers may not attend at this time.

Participants will learn how to:

- Use hands-on, engaging strategies for developing in-depth knowledge of the California Mathematics Content Standards and Curriculum Framework
- Develop and practice effective use of the enVisionMATH California instructional materials
- Learn and practice instructional strategies that insure mastery of the content standards for all students
- Tier/differentiate lessons to meet the needs of a diverse student population
- Develop strategies for interpreting and utilizing assessment data
- Create and implement standards-based lessons

Register Online using the LAUSD Learning Zone Website at:

<https://lz.lausd.net/lz/index.jsp>

Registration is by grade level (please register for one grade level only). Please read Course/Class information on the Learning Zone for additional information. Teachers may attend one time only, even if their grade level has changed since participation in a previous enVisionMATH institute.
