

Los Angeles Unified School District and Los Angeles Office of Education Present:

Summer Institute

SB472 MATHEMATICS PROFESSIONAL DEVELOPMENT INSTITUTES FOR GRADE 6 – ALGEBRA 1

For current LAUSD teachers using Glencoe CA Grade 6 and Grade 7, Glencoe CA Algebra 1,
and McDougal CA Course 1 and 2:

Teachers should attend training with Teacher's Edition and accompanying CD and DVD

The feedback from previous institute participants has shown that the instructional strategies modeled and practiced during the multi-day institute are invaluable to the effective implementation of the district-adopted mathematics instructional materials.

Opportunity to Learn and Earn...

- \$510 for full five-day attendance
- LAUSD Credit: 1 Salary Point
- University Credit Available
- Teachers may attend this SB472 Math Professional development, even if they have attended the AB466/SB472 Mathematics Institute in the past
- Substitute and independent charter school teachers may not attend at this time.

Participants will learn how to:

- Use hands-on, engaging strategies for development in-depth knowledge of the California Content Standards and Curriculum Framework
- Develop vocabulary and language needs of students
- Promote collaborative strategies that utilize "real world" examples and connections
- Provide intervention opportunities for students at risk of failing
- Use effective strategies for the technology components of the program
- Differentiate instruction to meet the learning needs EL, SEL, SWD, and advanced learners.

Register Online using the LAUSD Learning Zone Website at:

<https://lz.lausd.net/lz/index.jsp>

Registration is by grade level. Please read Course/Class information on the Learning Zone for additional information.
