#03/04-007

FREE IMMUNIZATIONS AVAILABLE TO LAUSD STUDENTS FOR 2003-2004 SCHOOL YEAR

The Los Angeles Unified School District (LAUSD) has announced its schedule of immunization clinics, which will provide free immunizations against polio (DTaP), measles, mumps and rubella (MMR), Haemophilus Influenza Type B (HIB) and Hepatitis A and B to children ranging in age from infancy to 18 years during the 2003-2004 school year. Skin tests for tuberculosis (TB) also will be available.

The immunization clinics are provided through the District's Nursing Services and will be available during the summer, fall and winter months to help students meet enrollment requirements for LAUSD schools.

All children are welcome and must be accompanied by a parent or legal guardian who is asked to bring all immunizations records for each child.

For questions regarding immunizations/vaccines, call the District's Nursing Services at (213) 763-8374.
